Excellence in Education

After personalizing your calendar, you can add the calendar events to a personal calendar on your phone or computer. Once you have connected the Cornwall-Lebanon School District calendar to your device, you will receive automatic updates and changes based upon your calendar customization settings. Below are instructions for connecting the District calendar to your device.

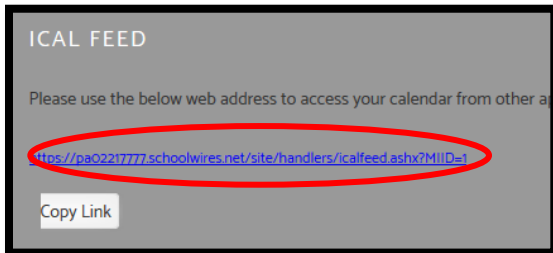

1. In the blue channel bar, click **Calendar**.

2. In the right corner of the calendar, click **iCal**.

3. Copy the personalized link for your individualized calendar.

4. Click on your device's link at the bottom for further instructions on integrating the District calendar with your device's calendar.
