

Cedar Crest Middle School Newsletter August/September, 2020

Principal's Message

Dear Falcon Families,

Welcome to the 2020-2021 school year at Cedar Crest Middle School! What an interesting time it is to be a CCMS Falcon! We are excited to see you and get to know you this year—even though it may not be exactly the year we had planned! We want this year to be successful and enjoyable for you as a middle schooler—even though we know that we will have challenges and unexpected bumps in our journey together.

Middle school is such a wonderful time! This is the time when you start to become a young adult—you learn to advocate for yourself, take ownership in your learning, and pursue those areas that interest you. Do you see the common theme?! YOU...You are an integral part of this journey. We want to empower you to be the best person, learner, classmate, friend, and #CommUNITY member you can be! This is the most exciting part of your middle school journey!

Even with the uncertain circumstances that we are facing in our world, it is important to commit to your learning here at Cedar Crest Middle School. There will never be a better time to engage in your learning, invest in your education, and build a foundation for your future endeavors!

Whether our learning takes place face-to-face or online, our teachers and staff will have high expectations for you. As your principal, I have complete faith that you will rise to meet and exceed their expectations in every facet of our Falcon Life! Every member of our team is looking forward to helping you to succeed in this journey!

Best wishes for a wonderful, safe, and healthy school year!

Sincerely,

Mariah L. Rackley, Ed.D.
Principal

Blue/Gray Hybrid Learning Model

Students at CCMS will attend school in a hybrid learning model this year. Our students will be divided into two groups—BLUE and GRAY. Students will attend face-to-face every other day and virtually with their teachers on the opposite days from home. Students with last names beginning with letters A-L will attend face-to-face at CCMS on BLUE days and virtually from home on GRAY days. Students with last names beginning with letters M-Z will attend face-to-face on GRAY days and virtually on BLUE days. Students with identified special needs will have the opportunity to attend daily.

This model allows for face-to-face instruction while also allowing us to meet social distancing guidelines. Our district has purchased new cameras and microphones for our CCMS teachers to utilize to engage our students in their learning on their virtual learning days. Although virtual learning days will take place at home, students are expected to log into their classes at the assigned times and participate in the new instruction that is taking place daily.

Each month, we will publish a calendar to identify BLUE and GRAY days. The August/September calendar is attached in this newsletter. We will run a six-day cycle allowing for all of our students to have the same number of face-to-face and virtual meetings with their teachers. Our calendar will be BLUE Day 1; GRAY Day 1; BLUE Day 2; GRAY Day 2, etc. Changes to the district calendar may be required in this hybrid model of learning (i.e., two school picture days, etc.).

Dr. Murray and our Technology Department have made arrangements for students who attend on GRAY days to pick up their laptops prior to August 31 (as their first day of school will be virtual). Students who attend on BLUE days will be able to exchange their laptops and receive their new devices on the first day of school.

Giant A+ Program

Each year, you can earn CASH for our school by shopping at Giant food stores. During the 2019-2020 school year, P-SP earned over \$4,288! Details will be distributed as they are available from Giant!

News from the Nurse

Please review information in the handbook related to health services with your student. Our handbook addresses our health and safety protocols for this year. Whenever possible, medications should be given at home. The Cornwall-Lebanon School District adopted the medication policy using the Pennsylvania Department of Health guidelines. Guidelines require both parent and physician signatures for administration of both prescribed and over the counter medications (Tylenol, Tums, Ibuprofen). A parent or adult designee must transport all medications to and from school. Students may not transport medications to or from school unless an order to self-carry a medication is signed by both the parent and physician.

Falcon Fridays at CCMS

Every Friday at CCMS is Falcon Friday! On Falcon Friday, all students and staff should wear our school colors—blue and gray—or their favorite Falcon Spirit or Cedar Crest gear to promote our #CommUNITY, school culture, and Falcon Pride!

This year, we are planning contests and special photo opportunities on Falcon Fridays! Look for Falcon Friday Features on our social media networks!

Physical Education Shirts

This year's dress requirements for PE will be different as students will not change for PE, but students will still have the opportunity to order PE shirts! Details will be discussed on the first day that students have PE. Information will be shared regarding how to order shirts. Students are responsible for ordering their own shirts. All money and orders will be handled through the PE department; no money will be collected until after the shirts arrive.

Safety Precautions at CCMS

During these uncertain times, we want our families to know that we are taking safety precautions in all areas of our school day.

Students and staff will be required to wear face coverings in accordance with the state mandate. Our students will NOT be utilizing lockers this year. Students will be permitted to carry backpacks from class to class. In addition, students will not be using the locker rooms or changing their clothes for physical education classes. Students should wear clothing that is appropriate for phys. ed. and dress for the weather; our PE classes will meet outside whenever possible.

Our students will move from period to period, and our class dismissals will be staggered to promote social distancing and limit the number of students in the hallways. Students will be permitted to carry water bottles and will have access to bottle filling stations throughout the building. Hand washing and hand sanitizing stations will be available throughout CCMS.

Students will eat in our socially distanced cafeteria. Students may buy or pack their lunch. Students will be able to pre-order their breakfast and lunch for their virtual learning days; pre-ordered meals will be picked up at the end of the day.

Students will be able to check out books from our Learning Center; books will be quarantined for a period of 72 hours after they have been returned before they are put back into circulation.

“FIRST DAY” Instructions and Paperwork

School Supplies Requested

As we make plans for the opening of school, we're excited to welcome our students and help them prepare for a healthy, productive year. Due to COVID-19 safety guidelines, sharing of materials will be limited. In order to ensure that students are organized and prepared for learning, we are asking that students keep the following materials in their backpacks to use at school and at home. Please purchase these materials as you are able. Once class assignments are finalized, please let your child's homeroom teacher know if you need assistance to acquire any of these items. At CCMS, Every Falcon Counts, and we'll be sure that each of our students has what they need to learn at school and at home.

Mientras hacemos planes para la apertura de la escuela, nos complace dar la bienvenida a nuestros estudiantes y ayudarlos a prepararse para un año productivo y saludable. Debido a las pautas de seguridad de COVID-19, el intercambio de materiales será limitado. Para asegurarnos de que los estudiantes estén organizados y preparados para el aprendizaje, les pedimos a los estudiantes que guarden los siguientes materiales en sus mochilas para usar en la escuela y en casa. Adquiera estos materiales en la medida de sus posibilidades. Una vez finalizadas las asignaciones de clase, informe al maestro de aula de su hijo necesita ayuda para adquirir alguno de estos. En CCMS, Cada Halcón Cuenta y nos aseguraremos de que cada uno de nuestros estudiantes tenga lo que necesita para aprender en la escuela y en casa.
