Cub Scout Pack 412 is a family pack and accepts both boys and girls from Kindergarten to 5th grade. This event is intended to target that age group, but families having older or younger children are still welcome.

Scouting guidelines require that we follow CDC Covid safety recommendations which include wearing masks at this time.

For more information, contact Doug Lister (717) 272-8150, or April Sherk (717) 926-5212.

*Registration and membership in Cub Scouts is not required. Come for the fun!
