Cornwall-Lebanon School District

WELCOME to the 2021-22 school year!

Cornwall-Lebanon School District is pleased to provide you with this District Calendar of Events. We encourage you to take a few moments to review the front pages to learn how to navigate the District website easily to locate a wealth of resources, including school policies and information specific to each building.

Contact information for all District administrators and schools is listed on the back cover of this calendar. In addition, the resource listing located on the back cover will assist you in identifying the most appropriate person to contact if you have

questions, concerns, or comments about school district matters.

Stay current with District and student news by following Cornwall-Lebanon School District on our Facebook and Twitter social media sites. Parents will receive important communications directly from their child's building administrator via the Message Center in CLSD Skyward Parent Access. Also, parents are encouraged to sign up in Skyward to receive phone calls or emails issued from the District through the Skylert Emergency Notification System. Please review your personal settings in Skyward and update any changes to phone numbers or emails.

Parent and community support at Cornwall-Lebanon School District is an integral part of maintaining a successful school district with high quality academic and extra-curricular opportunities for students. The continued support you provide to CLSD students is greatly appreciated. Families and community members are encouraged to attend school district activities, as feasible.

Please know that at any time, due to COVID-19 concerns, we may need to alter any of the athletic, extra-or co-curricular offerings published in this year's calendar. Look under the District Calendar tab on the CLSD website (or your student's school webpage calendar) for the most up-to-date status of events and activities.

Our current Health & Safety Plan is posted on the CLSD website: www.clsd.k12.pa.us. We will provide updates to the plan, as needed. In order to serve our students, families, and our community, CLSD will continue to offer in-person and virtual learning options that allow families to make decisions that best meet the needs of their children and families.

Thank you for your support of the students in the Cornwall-Lebanon School District. We are looking forward to enjoying a great year of learning and growing together!

Sincerely,

Philip L. Domencic, Ed.D.

Emergency Notification System (Skylert)

Cornwall-Lebanon School District utilizes Skylert, an Emergency Notification System. Parents may choose to provide the school with a home phone number, work phone number, cell phone number, or e-mail address by logging on to the CLSD Skyward Family Access in the Skylert section. If a work phone number is listed that is not a direct line to the parent, the school cannot guarantee that the message will reach the parent. Therefore, parents may want to list another number, a number of another person, and/or inform their employer that they have given us their number. It is important that our information be accurate in order for the system to fulfill its intended purpose. Please update your information in the Skylert section if it changes. Call lists will be updated regularly.

Inclement Weather Procedures

The decision to close school or open two hours later will be announced before 7:00 a.m. via Skylert phone/email messaging and on local radio and TV stations listed below. It also will be posted on the District Home page: www.clsd.k12.pa.us and on our Facebook and Twitter social media accounts. When adverse weather conditions develop during school hours, the stations will be advised and will announce the time of dismissals. Please do not place calls to the school because the telephones may be needed for emergencies. **Consult the CLSD homepage for current information and important announcements.**

Parents are urged to devise and discuss a plan of action for young children when no one is home during early dismissals or delays.

Television Stations:

WGAL Channel 8 (NBC)
WHTM Channel 27 (ABC)
WHP Channel 21
WPMT FOX 43

Radio Stations:

WLBR 1270 AM
WFVY 100.1 FM

*A Skylert message also will be sent in the event of a late start, unscheduled early dismissal or school closing.

Weather Make-up Days

If weather make-up days are needed during the 2021-2022 school year, they will be used in this order:

- (1) Monday, Jan. 17, 2022; (2) Monday, Feb. 21, 2022; (3) Thursday, April 14, 2022;
- (4) Tuesday, April 19, 2022; (5) Friday, June 10, 2022; (6) Monday, April 18, 2022.

Modified Kindergarten Schedule

To make the morning and afternoon classes of kindergarten more equitable, in the event of any two-hour delay during inclement weather, the following modified schedule for kindergarten children will be placed in effect:

AM Kindergarten: 11:00 AM-12:45 PM (expected arrival time at home will be one hour later).

PM Kindergarten: 1:45-3:30 PM (expected pick up time will be one hour later).

In the event there is a planned early dismissal or an elementary late start, and we have a delayed start because of inclement weather, the early dismissal and late start will be canceled.

Translations

- Parents can ask for translations of calendar information in any CLSD school office.
- Los padres pueden pedir las traducciones de información de calendario en cualquier oficina de la escuela de CLSD.
- Eltern können um Übersetzungen von Kalenderninformationen in irgendeinem CLSD Schule Büro bitten.
- I genitori possono chiedere dell'ufficio scolastico alle traduzioni di informazioni di calendario in qualunque CLSD.
- Les parents des élèves de CLSD peuvent obtenir une traduction de ces renseignements dans le bureau des écoles.

Concern Resolution Process

From time to time, concerns and/or complaints arise that require a process for reconciliation. In these instances, the individual with the complaint should seek a remedy with the party most directly involved, i.e., teacher, bus driver, or administrator. If some mutual resolution cannot be reached, the complaint should be addressed to the building principal. In the event the problem still remains unsettled, contact should be made with the Director of Elementary Education, Director of Secondary Education, or the Superintendent. Concerns that are not reconciled at this level should be directed to the Board of School Directors for their consideration.

Volunteers & Chaperones in Our Schools

Cornwall-Lebanon School District greatly appreciates the volunteers and chaperones who provide assistance to students and teachers through their participation in classroom support as well as special events and activities. Volunteers are essential to the success of students.

Anyone who will be serving as long-term or short-term volunteers for the Cornwall-Lebanon School District must submit completed clearances to the School District prior to serving as a volunteer. Volunteers will need background clearances if they will be involved directly in the care, supervision, guidance or control of children, and have routine interaction with children while in a District school or on District grounds. This includes persons with direct or regular contact with children through any school-sponsored program, activity, event or service, including school-sponsored youth programs, recreational programs, sports or athletic programs, outreach programs, enrichment programs, or similar programs or events conducted on District property.

Please consult the District website for additional information: www.clsd.k12.pa.us. Look under the Community tab.
