

FALCON MAT CLUB

Open to grades K-6

Join today!

The Falcon Mat Club youth wrestling program is designed to help prepare young wrestlers for individual and team competition. Wrestlers will have the opportunity to compete against other wrestlers at local tournaments and team scrimmages. Our goal is to introduce the sport of wrestling and emphasize the basic skills and fundamentals of the sport while maintaining good sportsmanship and the spirit of competition in a team atmosphere. In addition, we strongly focus on building character, confidence and a positive attitude among our wrestlers.
