

Principal's Message

Greetings!

With the conclusion of marking period one and the approach of parent-teacher conferences, let's take time to appreciate the seasons changing, the learning that has occurred, teachers teaching and the involvement of our community here at Cornwall Elementary. Parent-teacher conferences are an opportunity for parents and teachers to celebrate the accomplishments and growth of each and every child. The majority of parents/guardians have already signed up for meetings with their child's teachers on November 18 (kindergarten only), 22 and 23, 2021. If you have not had the opportunity to schedule a conference please contact your child's teacher or the office to do so. In addition to parent-teacher conferences, report cards will be accessible electronically on Skyward beginning Wednesday, November 11 as well as a hard copy being sent home with your child.

We are preparing a clothing order for the month of November. As many of you are aware, the supply chain has made it increasingly difficult to find apparel. Our clothing order will have limited selections due to supply issues. Samples are shown in this newsletter. We will communicate via our weekly update about the start of our clothing sale. Please look for the information in the near future.

Lastly, during this time of Thanksgiving, I want to share my gratitude and thank you for being such an important part of our children's lives. On behalf of the Cornwall staff, I would like to thank you for your continued support and wish you all a safe and happy holiday.

Nathanial A. Artz

NEWS FROM THE NURSE

COVID-19 has increased our understanding on staying healthy. At the health office we appreciated all the prescreening you our doing as parents and guardians. Please feel free to call the health room if you have any concerns and questions on COVID-19. As always, please check with your primary care provider who knows your child best and can determine the care path you should take. If your child been seen and a COVID test performed, please contact the health room so we can make annotations of it. You should have the primary care provider fax to 717-389-1886.

Medications: Just a reminder that all medications needed during the school day (including over the counter medications and cough drops) MUST be delivered to the nurse or administrative office by an adult and must have parent/doctor signed medication order.

Please look at the [CLSD web site](#) if you have a student that will be seen for a well-child exam or dental exam. The nursing office will accept the forms now, and will be sending hard copies home in the month of December for future 2nd and 5th grade students.

Health Screenings for September included hearing screenings KG-3rd and vision and growth screenings for all students. If your child had difficulty with screenings, you would have been notified.

Nurses Needed

Please note the Cornwall-Lebanon School District is in need of nursing substitutes for school offices and for field trips. Applicants must have an active nursing license, either a RN or LPN and Basic Life Support Provider Card. If you have a nursing degree and have the qualifications/clearances to volunteer, please contact the district at 717-272-2031 or apply on the district website.

Head lice commonly occurs among school-age children. Infestations do not pose serious health risks but are associated with a high level of anxiety among parents. Your help in inspecting your child's hair at least weekly throughout the school year for the presence of head lice would be greatly appreciated. We suggest the following procedures for inspecting your child for head lice:

- Under bright light, begin looking at the back of the head just above the neck area.
- Part the hair section by section and look closely for head lice or nits (eggs). Lice are tiny and difficult to see, but they can be up to 1/8 inch in size. Eggs, also known as nits and are tiny, white-colored, round or oval shapes, will usually be located near the scalp.
- Depending on the length and thickness of the hair, it should take 5 and 15 minutes to properly inspect a child's head.

If you suspect your child is infested with head lice, the American Academy of Pediatricians (AAP) recommends consulting with your pediatrician or primary care provider for treatment options and guidance. Also, please contact the school nurse directly to help maintain confidentiality, assist with treatment and to clear the student to return to classroom.

Please contact me if you have any medical concerns related to your child. Non-urgent health concerns may be sent to student's e-mail as noted in the skyward program. Please be sure to keep your e-mail address up to date, along with the primary phone number. Non-urgent messages may be emailed to srob-ins@clsd.k12.pa.us.

SUPPORT STAR!

Big STAR/Little STAR mentoring program is selling Bruno's sub coupons for their fall fundraiser. Each coupon is good for 1 hoagie which can be redeemed at any Bruno's location. The cost of the coupon is \$9. With the holidays right around the corner, it is the perfect time to support STAR! Bruno's coupons make great stocking stuffers/gifts. Besides, during the rush of the holiday season, who wants to cook?! This is a great option! Contact a High School Big STAR or one of the STAR advisors (Mrs. Ashley Christman or Ms. Jessica Isenberg) for your coupons by November 19th. Thank you for supporting the STAR mentoring program!

6) Online Community Bulletin Board: Check the online Community Bulletin Board regularly for information about upcoming events, activities and fundraisers throughout the CLSD community (Click on the “COMMUNITY” tab on the District website: www.clsd.k12.pa.us). Currently, you can find out about **sports activities** for the participant and spectator ... **Scouting opportunities** ... Student club **Fundraisers** ... **community events & activities** ... and many more items of possible interest!

8) Inclement Weather Procedures & Skylert Notification System: The decision to close school or open two hours later will be announced before 7:00 AM on the CLSD Home page, www.clsd.k12.pa.us, as well as on the **Cornwall-Lebanon School District Facebook** and Twitter pages (@CLSD_Schools), and on local radio and TV stations. The Skylert automated notification system also will be used to contact parents/guardians during

the school day in the event of a building power failure, hazardous situation, or an early dismissal. Please review the important information that is printed inside the front cover of the *CLSD 2021-22 Calendar of Events*. The District website is the first place important information is posted. Please, **do not** contact school or District offices in the case of these events as it is important for our phone lines to be available for emergency communications.

Remember, the Skylert notification system is only as accurate as the information you have provided to the District. Be sure your phone and email settings allow (does not Block) these three numbers: (717) 272-2031, (717) 272-2036, and (717) 389-1810, and emails from addresses ending in @clsd.k12.pa.us. Please review your information in Skylert, as well, and make any updates (for general information sharing, including school closings):

- Login to your Skyward account.
- Click the word “Skylert” in the left menu.
- Fill-in and check or uncheck your desired settings.

9) Volunteers and Chaperones: Cornwall-Lebanon School District greatly appreciates the volunteers and chaperones who provide assistance to students and teachers through their participation in classroom support, as well as special events and activities. Volunteers are essential to the success of students. Anyone who will be serving as a long-term or short-term volunteer for the District must submit completed clearances to the School District prior to serving as a volunteer. Look under the “Community” tab on the District Home page for more details: www.clsd.k12.pa.us

Attention Parents of 3rd Graders

Did you know that there is a very high correlation between positive self-esteem, high test scores, total interest in school involvement, and the study of music? We would like to introduce you to the opportunities available to your child in the Cornwall-Lebanon Instrumental Music Program. We offer lessons in violin, viola, cello, string bass, flute, clarinet, saxophone, trumpet, French horn, trombone, baritone, tuba, and orchestra bells.

Students are introduced to the string and band instruments in the spring of 3rd grade. The majority of students in the band program begin studying their instruments in the summer following 3rd grade (for more information, please contact Mr. Thompson). String lessons begin in September of 4th grade.

Studies have shown that music participants receive more academic awards and earn higher grades than students who do not participate in music!

If you have any questions before your child receives information about these programs, please feel free to contact us.

Thank you!
