

The Falcon Foundation Golf Tournament was established in 2005 to raise money in support of Falcon Foundation sponsored grants, awards, and capital projects.

In addition to raising money at this year's 18th annual event, the Falcon Foundation aspires to increase the community's awareness of the many educational and enrichment opportunities it provides to students, teachers, and families within the Cornwall-Lebanon community.

All money raised at this year's event will be used in support of the Falcon Foundation's various worthy endeavors.
