2024-2025 CALENDAR

WELCOME to the 2024-25 school year!

Cornwall-Lebanon School District is pleased to provide you with this District Calendar of Events. We encourage you to take a few minutes to review the front pages to learn how to easily navigate the District website to locate a wealth of resources, including school policies and information specific to each building.

Contact information for all District administrators and schools is listed on the back cover of this calendar. The back cover resource listing will assist you in identifying the most appropriate person to contact if you have questions, concerns, or comments about school district matters.

Stay current with District and student news by following Cornwall-Lebanon School District on our Facebook and Twitter social media sites. Parents will receive important communications directly from their child's building administrator via the Message Center in CLSD Skyward Parent Access. Also, parents are encouraged to sign up in Skyward to receive phone calls or emails issued from the District through the Skylert Emergency Notification System. Please review your personal settings in Skyward and update any changes to phone numbers or emails.

Parent and community support at Cornwall-Lebanon School District is an integral part of maintaining a successful school district with high quality academic and extra-curricular opportunities for students. The continued support you provide for the students in Cornwall-Lebanon School District is greatly appreciated. Families and community members are encouraged to attend school district activities, as feasible.

Please know that at any time we may need to alter any of the athletic, extra- or co-curricular offerings published in this year's calendar. Check the online calendar at www.clsd.k12.pa.us for the most up-to-date status of events and activities.

Thank you for your support of the students in the Cornwall-Lebanon School District. Let's enjoy a great year of learning and growing together!

Sincerely,

Philip L. Domencic, Ed.D.

CORNWALL-LEBANON SCHOOL DISTRICT MISSION:

Empowering students to reach their individual potential.

Emergency Notification System (Skylert)

Cornwall-Lebanon School District utilizes Skylert, an Emergency Notification System. Parents may choose to provide the school with a home phone number, work phone number, cell phone number, or e-mail address by logging on to the CLSD Skyward Family Access in the Skylert section. If a work phone number is listed that is not a direct line to the parent, the school cannot guarantee that the message will reach the parent. Therefore, parents may want to list another number, a number of another person, and/or inform their employer that they have given us their number. It is important that our information be accurate in order for the system to fulfill its intended purpose. Please update your information in the Skylert section if it changes. Call lists will be updated regularly.

Be sure your device is set to accept all School District phone numbers as safe numbers (do not block), including (717)272-2031 and (717) 272-2036.

Inclement Weather Procedures

The decision to close school or open two hours later will be announced before 7:00 a.m. via Skylert phone/email messaging and on local radio and TV stations listed below. It also will be posted on the District Home page: www.clsd.k12.pa.us and on our Facebook and Twitter social media accounts. When adverse weather conditions develop during school hours, the stations will be advised and will announce the time of dismissals. Please do not place calls to the school because the telephones may be needed for emergencies. **Consult the CLSD homepage for current information and important announcements.**

Parents are urged to devise and discuss a plan of action for young children when no one is home during early dismissals or delays.

Television Stations:

WGAL Channel 8 (NBC)
WHTM Channel 27 (ABC)
WHP Channel 21
WPMT FOX 43

Radio Stations:

WLBR AM 1270
WiLBur FM 99.7
WFVY FM 100.1

*A Skylert message also will be sent in the event of a late start, unscheduled early dismissal or school closing.

Weather Make-up Days

If weather make-up days are needed during the 2024-2025 school year, they will be used in this order: (1) Friday, Feb. 14, 2025; (2) Friday, March 14, 2025; (3) Thursday, April 17, 2025; (4) Tuesday, April 22, 2025

Flexible Instructional Days (FIDs)

Cornwall-Lebanon School District is committed to providing in-person instruction for its students, but understands that winter weather conditions may occasionally require alternative approaches. In such cases, the district may utilize Flexible Instructional Days (FIDs) as a way to deliver instruction in a non-traditional manner. FIDs are designed to allow public schools to adapt to unexpected circumstances that prevent traditional in-person instruction.

The District has built weather make-up days into its school year calendar, and will use FIDs as needed when all built-in weather make-up days have been exhausted. The decision to utilize a FIDs day would be made in advance in order to provide notice to parents/guardians and allow teachers to have time to prepare meaningful lessons.

Modified Kindergarten Schedule

To make the morning and afternoon classes of kindergarten more equitable, in the event of any two-hour delay during inclement weather, the following modified schedule for kindergarten children will be placed in effect:

AM Kindergarten: 11:10 AM-12:45 PM (expected arrival time at home will be one hour later).

PM Kindergarten: 2:05-3:40 PM (expected pick up time will be one hour later).

In the event there is a planned early dismissal or an elementary late start, and we have a delayed start because of inclement weather, the early dismissal and late start will be canceled.

Concern Resolution Process

From time to time, concerns and/or complaints arise that require a process for reconciliation. In these instances, the individual with the complaint should seek a remedy with the party most directly involved, i.e., teacher, bus driver, or administrator. If some mutual resolution cannot be reached, the complaint should be addressed to the building principal. In the event the problem still remains unsettled, contact should be made with one of the directors, or the Superintendent. Concerns that are not reconciled at this level should be directed to the Board of School Directors for their consideration.

CLSD Budget

In Pennsylvania, public school districts are required to adopt a final budget by June 30 of each year. The process is governed by Act 1 of 2006, which sets the maximum percentage increase for real estate taxes without a voter referendum or approval from the Pennsylvania Department of Education. The maximum percentage is calculated based on statewide averages and adjusted for each district's market value and personal income aid ratio. Each year, school districts must choose to either adopt a preliminary budget by 90 days before the primary election or adopt a resolution stating that taxes will not be increased above the maximum percentage by 110 days before the primary election.

For information concerning the 2024-2025 General Fund Budget for Cornwall-Lebanon School District, visit the District website under **Services->Business Office->General Fund Budget**.

Programs are available in a number of settings throughout the two-county area. These services are available at no cost to parents. Available services include classroom instructional services, physical therapy, occupational therapy, and speech and language therapy. If you have a child who you think is eligible for services, or if you know of a child who needs services, please call (717) 665-2366.

Early intervention makes a difference in a child's life!

Entrance (age) Requirements

For a child to enter kindergarten this fall in the Cornwall-Lebanon School District, s/he must have reached the age of five (5) BEFORE September 1. A child must have reached the age of six (6) BEFORE September 1 to be enrolled in first grade.

Change of Address

Students whose address changes during the school year must report the change to Central Registration (717-272-2031). Examples of acceptable proof of address change are a lease, deed, property tax statement, mortgage statement or settlement papers. Parents can make changes to phone numbers in their Skyward parent portal.

Equal Opportunity Employer

The Cornwall-Lebanon School District is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex, age, and handicap in its activities, programs, or employment practices as required by Title VI, Title IX, and Section 504. For information regarding civil rights or grievance procedures, contact the Compliance Officer at 105 East Evergreen Road, Lebanon, PA 17042 (717) 272-2031.

Early Childhood Community Partnership

Cornwall-Lebanon School District offers an outreach program to early childhood service providers to meet and share information throughout the school year. Information about childcare facilities located within the District is available in each elementary school building's main office upon request. Cornwall-Lebanon School District does not endorse any childcare facility but it provides information as a service to our parents.

Child Care Available within CLSD Buildings

The Lebanon Valley Family YMCA offers school-age childcare in each CLSD elementary school building from 6:30 AM-6 PM. Each center is licensed by the Department of Human Services and participates in the Keystone Stars Program.

Registration forms are available at the YMCA, online at lebanonymca.org, and by calling the administrative assistant at (717) 376-1384.

Volunteers & Chaperones in Our Schools

Cornwall-Lebanon School District greatly appreciates the volunteers and chaperones who provide assistance to students and teachers through their participation in classroom support as well as special events and activities. Volunteers are essential to the success of students.

Anyone who will be serving as long-term or short-term volunteers for the Cornwall-Lebanon School District must submit completed clearances to the School District prior to serving as a volunteer. Volunteers will need background clearances if they will be involved directly in the care, supervision, guidance or control of children, and have routine interaction with children while in a District school or on District grounds. This includes persons with direct or regular contact with children through any school-sponsored program, activity, event or service, including school-sponsored youth programs, recreational programs, sports or athletic programs, outreach programs, enrichment programs, or similar programs or events conducted on District property.
