PROJECT SUMMARY	<p>We are very excited to see work commencing on the campus. The GC and site contractor have mobilized, completing the temporary parking lot, and installing the security fence. The light poles and most of the vegetation have been removed from the building site. The sanitary force main has begun with the tie-in to the township connection and crossing the busy Monticello/Lincoln intersection. We are looking forward to a productive month with the ongoing mobilization, sanitary installation, and building pad preparation.</p>
