- All graduate education courses can be applied toward PDE's Instructional Level II certification and ACT 48 continuing education credits.

Degrees

Certificates

All graduate degrees are 33 credits and all certificate programs are 12 credits.

Master of Education

This program provides educators with the tools and best practices to become better communicators, mentors, and leaders in the ever-changing field of education. Students earn two certificates in addition to the degree.

Autism Certificate

Learn to address the complex needs of students with Autism Spectrum Disorders (ASD) in various classroom and school-based settings. Develop specialized knowledge and skills related to assessment, intervention, instruction, and program management for students with ASD.

Comprehensive Curriculum and Assessment for PreK-12 Certificate

Develop the skills necessary to understand, create, implement, and assess successful curriculum and socially and culturally diverse programs for the K-12 setting.

Ensemble Leadership Certificate

Deepen your knowledge and understanding of leadership within instrumental and choral ensembles through focusing on conducting technique, programming, musician and educator wellness, orchestration, arranging, and organizational leadership.

Master of Music Education

Create a diverse learning environment in the classroom that encompasses world music, contemporary and popular genres, technology, and experiences for all learners. Students earn the Modern Band Certificate in addition to the degree.

Integrative STEM Education Certificate*

Learn tools to integrate K-12 STEM concepts, design a standards-based curriculum, promote advocacy, apply for grants, and develop a digital portfolio of teaching evidence.

Modern Band Certificate

Develop strategies to implement the "music as a second language" pedagogy in your classroom to create an inclusive music learning environment for all students.

Online Teaching and Learning Certificate*

Build the skills necessary to create a flipped, online, hybrid, and blended learning environment.

Social, Emotional & Behavioral Wellness Certificate*

Go beyond the academic barriers to establish practices to collaborate successfully with students, families, and the community and understand multi-tiered systems of support for wellness.
