

Falcon Foundation's Thank An Educator

** Teacher Appreciation Week is May 5th – May 9th **

Our educators work hard all year to teach our children & leave a lasting positive impact on their lives. Is there a special staff member you want to thank for their hard work this year? Looking for a unique end of year or Teacher Appreciation Week gift that also benefits the kids and school? Look no further than the Thank An Educator program!

For a donation of any amount, we'll acknowledge special staff members with a Certificate of Appreciation & a small gift. Your donation recognizes their efforts & gives back to CLSD in the form of enrichment opportunities for staff, students and the community! The Falcon Foundation supports students by providing financial assistance for classroom tools, enhanced educational opportunities such as tutoring, camps & leadership experiences, and so much more!

Seniors: Why not surprise an educator from your past? Is there an Elementary or MS teacher that's helped you get to where you are? Make their day with a certificate and gift!

Donate by Friday, May 16th
